

Prepared for	Example Client
Client email	client@example.com
Document	Version 1
SOP version	jvl-demo-v1
Prepared	2026-08-31

Proposed total	USD 4,000
Delivery timeline	5 days

Automate one shared Gmail intake workflow.

Module	Qty	Rule	Amount
Core Workflow Automation	1	Fixed	USD 4,000
Total			USD 4,000

- One shared Gmail mailbox is the intake channel.

- Additional channels are excluded.

Price and timeline are calculated from the named SOP version. Any later scope expansion, reduction, or replacement requires a separate reviewed revision or change order before commercial communication.
